

Role Play Dialogue #2: Winter

Inviting a Friend to go Skating

CLB Level: Listening-5 Speaking-5

Setting: These two speakers are in Ottawa.

A: Ko, would you like to go skating this Saturday afternoon?

B: Sure. Where do you want to go?

A: I'd like go to the Rideau Canal. I've never been there. Have you been there?

B: Yes, I have. I know how to get to the skateway.

A: Great. What time do you want to go skating?

B: Well, I have a job search class in the morning. I could meet you afterwards, right at the north end of the canal at the National Arts Centre, say 1 pm.

A: One pm? That sounds good to me. Dress warm, and wear lots of layers.

B: Yes, I will. I think I'll get my skates sharpened before we go skating.

A: Good idea. I think I'll do the same.

B: See you Saturday Ahmed!

A: Yes, see you then, Ko.
